

ASVAB

What is the ASVAB?

The ASVAB is a career exploration test used to measure skills, abilities and interests. This test is conducted by the military and is required for those who want to join the military. There is no obligation to join the military by taking the test. This test will be administered at EHHS in fall 2011.

Who should take the ASVAB?

Students who are interested in finding more information about themselves and what careers they might be good at should take this test. In addition, all students interested in the military should take it.

How much does the ASVAB cost?

The ASVAB is completely free.

What does the ASVAB cover?

The ASVAB covers general science, math reasoning and knowledge, word knowledge, paragraph comprehension, electronics information, auto shop information, and mechanical comprehension.

How do I sign up?

This test doesn't require pre-registration if you take it at school. You just need to come at the assigned time. You will sign a roll sheet to be excused from classes during the test.
